

What does the **bursary cover?**

- Accommodation in a urban area.
- Accommodation in a peri-urban area.
- Accommodation in a rural area.
- Transport (if you reside up to 40 km from institution)
- Incidental/personal care allowance.
- Registration.
- Tuition.
- Funded students with disabilities need to submit claims for Assistive Devices and Human Support directly to the college's Student Support Services/Financial Aid office.

Additional support

NSFAS funded students who have a disability are further supported through an **additional allowance**.

Please contact the **Disability Unit** or **Financial Aid Office** at your college for assistance.

- **Medical Assessment:** Limited to one assessment for the duration of the qualification and on request by the Disability Unit/ Student Support.
- **Assistive Devices:** Limited to one Assistive Device for the duration of study.
- **Human Support:** To cover for the cost of a caregiver, guide dog, scribe, tutor or sign language interpreter.

Application dates are communicated on campus at the TVET college.

NSFAS students and prospective NSFAS students are required to open and regularly check their **myNSFAS accounts** for NSFAS funding related information.

To log into your **myNSFAS** go to www.nsfas.org.za, go to the **myNSFAS tab** and follow the **log in** process explained on screen.
